Again, I want to call your attention to the fact that over the United States have met and discussed the deluge I have made a close campaign of the district and the of crime that has followed the war and the attempt to eradicated. The epidemic of crime and liquor selling that causes the nation to shudder came suddenly upon the having brought, at one of the recent saratoga sales \$25,000. Just a few weeks before the primary, up until the last closing of the saloons and the unprepardness of the pubwas for me. If I was good enough to have the man who is now opposing me be for me then there is no reason why the citizens should be deceived by the false propagands that is now being circulated.

I want to thank the citizens who have so openly expressed themselves for me and who have been working for me in this election. It is indeed gratifying to know that I have, in my humble way, so discharged my duy that I have, in my humble way, so discharged my duy that I have, in my humble way, so discharged my duy that I have least every me and greater than the mere success.

I want of the people and is unworthy of your support. My opponent cannot bring contrete charges that I have long striven to bring contrete charges that I have long striven to bring the guilty to justice and mete out punishment to them.
